

## Program's Purpose

---

The Under Our Wings® program is designed not only to honor our veterans and service members touched by war, but to give young people the opportunity to learn the art and skill of quilting, participating in a community service project, learning about a veteran or service member in their community, and the satisfaction and honor of awarding a veteran or service member a Quilt of Valor® by holding an award ceremony.

The civic groups that participate will learn the pride of making and awarding a Quilt of Valor® while completing a community service project and honoring a veteran or service member in their community.

Nomination Form

---

Dear Nominator:

A Quilt of Valor® is a single lifetime award given to service members who have been involved in conflict during his/her service. We will need your help in making this award including verifying that your nominee has not previously been awarded a Quilt of Valor®. If selected, we will be contacting you to arrange a presentation time and place. If you are not the person who will make those arrangements, please have that information ready for the QOVF volunteer who contacts you.

Please let us know if there are any special circumstances that affect making this award (currently deployed, hospice, surprise, etc.). Awards for service members currently deployed will be planned to take place upon their return to the States. Thank you for your assistance in making this award to your loved one.

\*All information is confidential and will not be shared/sold to anyone. All information will be sent to Quilts of Valor® Foundation upon completion of the presentation ceremony.
