

SILVER VALLEY UNIFIED SCHOOL DISTRICT PRESENTS...

PARENTS ADVOCATING STUDENT SUCCESS 2.0

Silver Valley Unified School District is proud to present its next level of parent leadership training for the 2015-16 school year.

We will be presenting two different topics for parents: *Positive Behavioral Interventions & Support (PBIS)* and *Love and Logic*. This will be an eight week course that will give parents tools to support their children at school and at home.

TOPICS

PBIS:

Learn how our schools at Silver Valley Unified are supporting our students socially, emotionally and behaviorally. Gain strategies, tips and tools for supporting positive behaviors at home.

Love & Logic:

The Love and Logic curriculum uses:

Humor, hope and empathy to build up adult-child relationships. It emphasizes respect and dignity for both children and adults. It provides real limits in a loving way and it teaches consequences and healthy decision making.

Love allows children to grow through their mistakes. Logic allows them to live with the consequences of their choices!

**Silver Valley is an independent facilitator of "Parenting the Love and Logic Way" curriculum*
