March 19, 2020

Dear Silver Valley Unified School District families:

Due to the evolving Novel Coronavirus situation, all schools in the Silver Valley Unified School District will continue to be closed through Friday, May 1st, 2020. This decision is supported by the San Bernardino County Department of Public Health and San Bernardino County Superintendent of Schools. At this point, we plan on resuming school for all students on Monday, May 4th, 2020. We will continue to closely monitor the situation and adjust our plans, if needed, based on circumstances as they develop.

Our district is currently working to design a distance learning model for every student. Details of this system will be communicated to our families by the site principal of each school. We are committed to helping every family with access to the internet, and will have more details on these efforts soon. We will be sending a technology needs survey to every family tomorrow, Friday, March 20th.

Silver Valley USD will continue to provide breakfast and lunch for every child in our community, age 18 and younger, for as long as this closure lasts, including during the scheduled spring break, March 23 through March 27. You DO NOT have to be enrolled in our district to receive this service. We will provide a grab-and-go breakfast and lunch between 10 am to 12 pm Monday through Friday at Tiefort View Intermediate School, Yermo Elementary School and Newberry Springs Elementary School.

We appreciate your patience and understanding as we work through this unprecedented situation.

Sincerely,

Jesse M Najera
Superintendent
Silver Valley Unified School District
